7 MARATHONS 7 STATES 7 DAYS

ADELAIDE

Volunteer Guide

June 30th 2026 - Elder Park

The Why & How

Founded in 2013, the annual Bravehearts 777 Marathon comprises of 7 marathon events in 7 Australian cities in 7 consecutive days. It is the only marathon event of its kind in Australia and supports the vital work of Australian child protection charity, Bravehearts.

The journey begins in Perth, where the marathon takes place in the morning. By evening, we pack up and fly to Adelaide, ready to do it all again the next day. The challenge continues through Melbourne, Hobart, Sydney, Canberra, and concludes on the Gold Coast.

Alongside this incredible feat, we are joined by a dedicated team of 31 national runners who commit to completing all seven marathons. Each Bravehearts 777 National Runner raises \$11,500 to support Bravehearts' crucial work, funding child sexual abuse counselling, support services, education programs, and research. In each state, they are joined by hundreds of passionate state runners who sign up to run a single marathon leg, further amplifying awareness and fundraising efforts.

Since its inception, the Bravehearts 777 Marathon has raised over \$2 million to help prevent and treat child sexual abuse, making a lasting impact in communities across Australia.

Mission

To provide a coordinated and holistic approach to the prevention and treatment of child sexual abuse.

The Problem

Child sexual abuse is a crime that knows no physical, financial, socioeconomic, geographic, cultural or gender boundaries. It is a profound violation of the human rights of the child, impacts of this crime are far-reaching for children, families, and communities.

More than 1 in 4 Australians (28.5%) have experienced child sexual abuse. ¹

In up to 90% of child sexual abuse cases, the offender is known to the family. ²

In more than half of cases (approximately 52%), the onset of child sexual abuse is from 0 to 8 years. ³
