About Bravehearts' 777 Marathon

Bravehearts' 777 Marathon is an annual fundraising event that challenges participants to run **7 marathons, in 7 states, across 7 consecutive days!**

Kicking off in Perth, athletes complete the first marathon of the tour, before flying, recovering and repeating the process in the next state. 777 Marathon passes through Perth, Adelaide, Melbourne, Hobart, Sydney, and Canberra before finishing the seventh and final leg at the Gold Coast Marathon.

777 Marathon is a truly unique event.

We attract not only marathon enthusiasts, endurance challengers and corporate teams, but also those connected to cause - those who run with purpose.

The National Runners are joined in each location by State Runners, who participate in a marathon, half marathon, 14km or 7km event. Local participants bring connection and energy to the course, event and precinct.

In 2026, 30 National Runners will take on the challenge, joined and cheered on by 3,000+ State Runners.
